

## UNITED STATES DISTRICT COURT

for

Western District of WisconsinU.S.A. vs. Michael Shillin Docket No. 21-cr-112-jdp-1**Petition for Action on Conditions of Pretrial Release**

COMES NOW Melissa R. Lach, pretrial services/probation officer, presenting an official report upon the conduct of defendant Michael Shillin, who was placed under pretrial release supervision by the Honorable Stephen L. Crocker, sitting in the court at Madison, Wisconsin on the 4<sup>th</sup> date of November, 2021 under the following conditions:

Defendant Shillin was released under the twelve standard conditions of pretrial supervision with the additional conditions that he refrain from the excessive use of alcohol and sign a release of information allowing the pretrial services officer to communicate with his mental health treatment provider to verify attendance and participation in treatment.

**RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:**

In December 2021, Defendant Shillin informed the pretrial services office of his intent to file bankruptcy. Prior to the filing, he had advised he would be traveling to Colorado for vacation purposes in the month of January 2022. That trip has since been canceled. The pretrial services office is requesting that the court impose the additional condition restricting Mr. Shillin's travel outside of the Western District of Wisconsin without the permission of the Court or the pretrial services office. This condition is necessary because Mr. Shillin has been charged with a financial crime, has now filed bankruptcy, and is requesting to spend money on non-discretionary type expenses.

PRAYING THAT THE COURT WILL ORDER: The imposition of additional condition number 22, restricting defendant's travel to the Western District of Wisconsin unless prior permission has been obtained from the Court or the pretrial services office.

**ORDER OF COURT**

Considered and ordered this 6<sup>TH</sup> day of JANUARY, 2022 and ordered filed and made a part of the records in the above case.
